## Public Symposium

Wednesday, 1 April 2009

Deutsche Post Tower, Bonn

Discussion begins at 6:30 pm

Refreshments to follow

Once again the Bonn Dialogues is bringing together a panel of esteemed scholars to discuss the issue of global environmental change, the risks it poses, and the role of education in adapting to and becoming resilient against these threats. Participation is free and open to the public. Registration, while not required is requested for planning purposes. Please send an email to [info@bonn-dialogues.org](mailto:info@bonn-dialogues.org) including your name, organisation, e-mail and confirmation of attendance.
